How to get a digital passport photo

There are 3 ways:

Photo taken at home

You'll need someone to help you and a device that takes digital photos.

Photo with code

Get your photo taken in a booth or shop, and get a code with your photo. Use the code to add the photo to your application.

Photo in a digital file

Get your photo taken in a shop and get a digital file of your photo. Upload the file to add the photo to your application.

The photo code is a new service and may not be available yet from photo booths or shops in your area.

How to take a digital passport photo

Use this guidance to take a digital photo that meets the passport photo rules.

If your photo doesn't meet the rules you may have problems with your application or when you travel.
